**PROXY STATEMENT**

**March 19, 2014**

**THE MEETING**

The accompanying proxy is solicited on behalf of the Board of Directors (the “Board of Directors” or the “Board”) of Noodles & Company, a Delaware corporation (the “Company”), for use at the 2014 Annual Meeting of Stockholders (the “Annual Meeting”) to be held at The Westin Westminster Hotel, 10600 Westminster Boulevard, Westminster, Colorado, on April 30, 2014, at 2:00 p.m. local time. This Proxy Statement and the accompanying form of proxy were first mailed to stockholders on or about March 19, 2014. An Annual Report for the year ended December 31, 2013 is enclosed with this Proxy Statement. An electronic copy of this proxy statement and annual report are available at [investor.noodles.com](http://investor.noodles.com).

**Voting Rights, Quorum and Required Vote**

Only holders of record of our Class A and Class B common stock at the close of business on March 11, 2014, which is the record date, will be entitled to vote at the Annual Meeting. At the close of business on March 11, 2014, we had 29,625,804 shares of common stock outstanding and entitled to vote; of which 28,103,706 were Class A common stock and 1,522,098 were Class B common stock. Holders of the Company’s Class A and Class B common stock are entitled to one vote for each share held as of the above record date, with the exception that Class B common stock does not vote on the election or removal of directors. Shares of our Class B common stock are convertible on a share-for-share basis into shares of our Class A common stock at the election of the holder. A quorum is required for our stockholders to conduct business at the Annual Meeting. The holders of a majority in voting power of all issued and outstanding stock entitled to vote at the Annual Meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business. Abstentions and “broker non-votes” (described below) will be counted in determining whether there is a quorum.

For Proposal No. 1—Election of Directors, directors will be elected by a plurality of the votes of the shares of common stock cast at the Annual Meeting, which means that the two nominees receiving the highest number of “for” votes will be elected. Withheld votes and broker non-votes (as defined below) will have no effect on Proposal No. 1.

Proposal No. 2—Ratification of Appointment of Independent Registered Public Accounting Firm, requires the affirmative vote of the holders of a majority in voting power of the stock entitled to vote at the Annual Meeting, present in person or represented by proxy. Abstentions will count the same as votes against Proposal No. 2. Broker non-votes will have no effect on Proposal No. 2.

**Voting Your Shares**

If you are a registered holder, meaning that you hold our stock directly (not through a bank, broker or other nominee), you may vote in person at the Annual Meeting or vote by completing, dating and signing the accompanying proxy and promptly returning it in the enclosed envelope, by telephone, or electronically through the Internet by following the instructions included on your proxy card. All signed, returned proxies that are not revoked will be voted in accordance with the instructions contained therein. Signed proxies that give no instructions as to how they should be voted on a particular proposal at the Annual Meeting will be counted as votes “for” such proposal or in the case of the election of the Class I directors, as a vote “for” election to Class I of the Board of both nominees presented by the Board.

If your shares are held through a bank, broker or other nominee, you are considered the beneficial owner of those shares. You may be able to vote by telephone or electronically through the Internet in accordance with the voting instructions provided by that nominee. You must obtain a legal proxy from the nominee that holds your shares if you wish to vote in person at the annual meeting. If you do not provide voting instructions to your broker in advance of the annual meeting, New York Stock Exchange rules grant your broker discretionary authority to vote on “routine” proposals. The ratification of the appointment of the independent registered public accounting firm in Proposal No. 2 is the only item on the agenda for the annual meeting that is considered routine. Where a proposal is not “routine,” a broker who has received no instructions from its clients does not have discretion to vote its clients’ uninstructed shares on that proposal, and the unvoted shares are referred to as “broker non-votes.”

In the event that sufficient votes in favor of the proposals are not received by the date of the Annual Meeting, the Chairman of the Annual Meeting may adjourn the Annual Meeting to permit further solicitations of proxies.

The telephone and Internet voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. Stockholders voting via the telephone or Internet should understand that there may be costs associated with telephonic or electronic access, such as usage charges from telephone companies and Internet access providers, that must be borne by the stockholder.

### **Expenses of Solicitation**

The expenses of soliciting proxies to be voted at the Annual Meeting will be paid by the Company. Following the original mailing of the proxies and other soliciting materials, the Company and/or its directors, officers or employees (for no additional compensation) may also solicit proxies in person, by telephone or email. Following the original mailing of the proxies and other soliciting materials, the Company will request that banks, brokers and other nominees forward copies of the proxy and other soliciting materials to persons for whom they hold shares of common stock and request authority for the exercise of proxies. We will reimburse banks, brokers and other nominees for reasonable charges and expenses incurred in forwarding soliciting materials to their clients.

### **Revocability of Proxies**

Any person submitting a proxy has the power to revoke it prior to the Annual Meeting or at the Annual Meeting prior to the vote. A proxy may be revoked by a writing delivered to the Company stating that the proxy is revoked, by a subsequent proxy that is submitted via telephone or Internet no later than 11:59 p.m. (CT) on April 29, 2014, by a subsequent proxy that is signed by the person who signed the earlier proxy and is delivered before or at the Annual Meeting, or by attendance at the Annual Meeting and voting in person. In order for beneficial owners to change any of your previously provided voting instructions, you must contact your bank, broker or other nominee directly.

### **Delivery of Documents to Stockholders Sharing an Address**

We have adopted a procedure approved by the Securities and Exchange Commission ("SEC") called "householding" under which multiple stockholders who share the same address will receive only one copy of the Annual Report, Proxy Statement, or Notice of Internet Availability of Proxy Materials, as applicable, unless we receive contrary instructions from one or more of the stockholders. If you wish to opt out of householding and receive multiple copies of the proxy materials at the same address, or if you have previously opted out and wish to participate in householding, you may do so by notifying us by telephone at 720-214-4132, by mail at Noodles & Company at, 520 Zang Street, Suite D, Broomfield, CO 80021, or by email at investorrelations@noodles.com, and we will promptly deliver the requested materials. You also may request additional copies of the proxy materials by notifying us in writing or by telephone at the same address, email address, or telephone number. Stockholders with shares registered in the name of a brokerage firm or bank may contact their brokerage firm or bank to request information about householding.

Beginning on March 19, 2014, we mailed or e-mailed to some of our stockholders a Notice of Internet Availability of Proxy Materials with instructions on how to access our proxy materials over the Internet and how to vote. If you received a notice and would prefer to receive paper copies of the proxy materials, you may notify us by telephone, email or mail at the telephone number, email address and mailing address provided above.

### **Explanatory Note**

We are an "emerging growth company" as defined in the Jumpstart Our Business Startups Act of 2012 (the "JOBS Act"). For as long as we are an emerging growth company, we will not be required to provide an auditor's attestation report on management's assessment of the effectiveness of our system of internal control over financial reporting pursuant to Section 404(b) of the Sarbanes-Oxley Act of 2002, or obtain stockholder approval of any golden parachute payments not previously approved. In addition, because we are an emerging growth company, we are not required to include a Compensation Discussion and Analysis section in this proxy statement and have elected to comply with the scaled-down executive compensation disclosure requirements applicable to emerging growth companies.

We could be an emerging growth company for up to five years from June 28, 2013, the date of our initial public offering, or until the earliest of (i) the last day of the first fiscal year in which our annual gross revenues exceed \$1 billion, (ii) the date that we become a “large accelerated filer” as defined in Rule 12b-2 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), which would occur at the end of the fiscal year during which the market value of our common stock that is held by non-affiliates exceeds \$700 million as of the last business day of our most recently completed second fiscal quarter, or (iii) the date on which we have issued more than \$1 billion in non-convertible debt during the preceding three year period. Under Section 107(b) of the JOBS Act, emerging growth companies may delay adopting new or revised accounting standards until such time as those standards apply to private companies. We have irrevocably elected not to avail ourselves of this exemption from new or revised accounting standards and, therefore, we are subject to the same new or revised accounting standards as other public companies that are not emerging growth companies.

**PROPOSAL NO. 1—ELECTION OF DIRECTORS**

The Company's Board of Directors is presently comprised of eight members, who are divided into three classes, designated as Class I, Class II and Class III. One class of directors is elected by the stockholders at each annual meeting to serve a three-year term. Class I directors consist of James Pittman and James Rand; Class II directors consist of Andrew Taub, Stuart Frenkiel and Jeffrey Jones; and Class III directors consist of Scott Dahnke, Kevin Reddy and Keith Kinsey.

Class I directors standing for re-election at the Annual Meeting are James Pittman and James Rand. Class II and Class III directors will stand for re-election or election at the 2015 and 2016 annual meetings of stockholders, respectively.

Each of the nominees for election to Class I is currently a director of the Company. If elected at the Annual Meeting, each of the nominees would serve for three years and until his or her successor is duly elected and qualified, or until such director's earlier death, resignation or removal. If either of the nominees is unable or unwilling to be a candidate for election by the time of the Annual Meeting (a contingency which the Board does not expect to occur), the stockholders may vote for a substitute nominee chosen by the present Board to fill the vacancy. In the alternative, the stockholders may vote for just the remaining nominee, leaving a vacancy that may be filled at a later date by the Board. Alternatively, the Board may reduce the size of the Board.

Of the two Class I directors standing for re-election at the Annual Meeting, James Pittman is affiliated with Argentia Private Investments Inc. ("Argentia"), which invested in the Company in 2010, currently holds approximately 28% of our outstanding equity interests and has the right to designate two members to our Board of Directors, and James Rand has been a member of our Board of Directors since 2008, bringing substantial restaurant operating company experience, including particular experience in large-scale restaurant development.

The names of the nominees for election as Class I directors at the Annual Meeting and of the incumbent Class II and Class III directors, and certain information about them, including their ages as of March 19, 2014, are included below.

## **Directors and Corporate Governance**

### ***Board Composition***

Our Board of Directors currently consists of eight members.

In accordance with the amended and restated certificate of incorporation and the amended and restated bylaws, our Board of Directors is divided into three classes with staggered three-year terms. At each annual meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. The authorized number of directors may be changed by resolution of the Board of Directors. Our amended and restated certificate of incorporation and amended and restated bylaws provide for a classified Board of Directors consisting of three classes of directors, each serving staggered three-year terms. Our directors are divided among the three classes as follows:

- Class I directors are James Pittman and James Rand, whose initial term will expire at the 2014 annual meeting of stockholders;
- Class II directors are Stuart Frenkiel, Jeffrey Jones and Andrew Taub, whose initial term will expire at the 2015 annual meeting of stockholders; and
- Class III directors are Scott Dahnke, Keith Kinsey and Kevin Reddy, whose initial term will expire at the 2016 annual meeting of stockholders.

Directors for a particular class will be elected for three-year terms at the annual meeting of stockholders in the year in which their term expires. As a result, only one class of directors will be elected at each annual meeting of our stockholders, with the other classes continuing for the remainder of their respective three-year terms. Each director's term continues until the election and qualification of his or her successor, or his or her earlier death, resignation or removal.

Kevin Reddy serves as the chairman of our Board of Directors. We believe that six of our directors are independent as required by NASDAQ rules: Scott Dahnke, our lead independent director, Stuart Frenkiel, Jeffrey Jones, James Pittman, James Rand and Andrew Taub. Scott Dahnke and Andrew Taub are affiliated with Catterton, and Stuart Frenkiel and James Pittman are affiliated with Argentia.

### ***Board Independence***

Under the listing requirements and NASDAQ rules, independent directors must comprise a majority of a listed company's Board of Directors. Our Principles of Corporate Governance (the "Principles") provide that an "independent" director is a director who meets the NASDAQ definition of independence and the Principles also provide that, under applicable NASDAQ rules, the members of each of the Audit and Compensation Committees are subject to additional, heightened independence criteria applicable to directors serving on these committees. The Principles are published on our website at <http://investor.noodles.com/governance.cfm>. Our Board of Directors has undertaken a review of its composition, the composition of its committees and the independence of each director (both generally, and, where applicable, under heightened independence criteria applicable to certain committees). Based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships, our Board of Directors has determined, based on the recommendation of our Nominating and Corporate Governance Committee, that each of Messrs. Dahnke, Frenkiel, Jones, Pittman, Rand and Taub is "independent" under NASDAQ rules. In making the independence determinations, our Board of Directors assesses any current and prior relationships that each non-employee director has with us and all other relevant facts and circumstances, including the beneficial ownership of our capital stock by each non-employee director. With respect to Messrs. Frenkiel, Pittman and Dahnke, the Board of Directors considered their affiliation with Argentia and Catterton in assessing their independence, as described below. Our Board of Directors made a determination that each director deemed to be independent had no relationships with our company or our management that, in the judgment of the Board, would impair the director's independence.

Mr. Frenkiel is currently a member of the Audit Committee, and although the Company has determined that he is independent under applicable NASDAQ rules, he does not qualify as "independent" under the requirements set forth in Rule 10A-3(b)(1) of the Securities Act because of his affiliation with Argentia. Rule 10A-3(b)(iv) generally provides that a minority of the members of the audit committee of a recently listed company may be exempt from the independence requirements set forth in Rule 10A-3(b)(1) for up to one year after the date of the offering's effectiveness. The Company has decided to rely on this exception, and the Board has determined that such reliance will not materially adversely affect the ability of the Audit Committee to act independently and to satisfy the other applicable requirements of the SEC and the NASDAQ rules. The Company's initial public offering became effective on June 27, 2013; therefore, Mr. Frenkiel is permitted to remain on the Audit Committee through June 27, 2014 in reliance on this exception.

Messrs. Pittman and Dahnke are currently members of the Compensation Committee and are affiliated with Argentia and Catterton, respectively. Pursuant to applicable SEC and NASDAQ requirements, the Board of Directors considered all factors specifically relevant to determining whether either of these directors had or has a relationship which is material to that director's ability to be independent from management in connection with their duties as members of the Compensation Committee, including these affiliations, and the Board determined that these directors are independent for purposes of serving on the Board of Directors and its Compensation Committee.

### ***Leadership Structure***

Kevin Reddy serves as Chairman of the Board and as Chief Executive Officer. Our Board of Directors believes that the current Board leadership structure, coupled with a strong emphasis on Board independence, provides effective independent oversight of management while allowing the Board and management to benefit from Mr. Reddy's extensive executive leadership and operational experience, including his many years of experience as a restaurant operating company executive and his experience and familiarity with our business as Chief Executive Officer. Independent directors and management sometimes have different perspectives and roles in strategy development. Our independent directors bring experience, oversight and expertise from outside of our company, while Messrs. Reddy and Kinsey bring company-specific experience and expertise. The Board of Directors believes that Mr. Reddy's combined role enables strong leadership, creates clear accountability and enhances our ability to communicate our message and strategy clearly and consistently to stockholders.

### ***Lead Independent Director***

The directors serving on our Board appointed Scott Dahnke to serve as our lead independent director. As lead independent director, Mr. Dahnke presides over meetings of the Board at which the Chairman is not present, including executive sessions at which only our independent directors are present, serves as a liaison between the Chairman and the independent directors, approves information sent to the Board, approves the agenda and schedule for Board meetings to provide that there is sufficient time for discussion of all agenda items, is available for consultation and communication with major stockholders upon request, has the authority to call executive sessions of the independent directors and performs such additional duties as our Board of Directors may otherwise determine and delegate.

### ***Executive Sessions of Independent Directors***

In order to promote open discussion among independent directors, our Board of Directors has a policy of conducting executive sessions of independent directors during each regularly scheduled Board meeting and at such other times as may be requested by an independent director. These executive sessions are chaired by our lead independent director. The lead independent director provides feedback to our Chief Executive Officer, as needed, promptly after the executive session.

### ***Corporate Governance Guidelines***

Our Corporate Governance Guidelines are available on our website at [investor.noodles.com](http://investor.noodles.com).

### ***Code of Business Conduct and Ethics***

We have adopted a code of business conduct and ethics that applies to all of our officers and employees, including our Chief Executive Officer and Chief Financial Officer and those officers and employees responsible for financial reporting. We have also adopted a director code of business conduct and ethics that applies to our directors. The full text of our codes of business conduct and ethics are posted on the investor relations section of our website at [investor.noodles.com](http://investor.noodles.com). We intend to disclose future amendments to our codes of business conduct and ethics, or any waivers of their provisions that we grant to our directors or executive officers on our website.

### ***Board Meetings***

During 2013, the Board of Directors held six meetings. Each director attended at least 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings held by any of the committees of the Board of Directors on which such director served.

### ***Controlled Company Exemption***

Because Catterton and Argentia, a subsidiary of PSPIB (collectively, our "Sponsors") control more than 50% of our common stock, we are a "controlled company" within the meaning of the NASDAQ corporate governance standards. The "controlled company" exception available under the NASDAQ rules eliminates certain requirements, such as the requirements that a company have a majority of independent directors on its Board of Directors, that compensation of the executive officers be determined, or recommended to the Board of Directors for determination, by a compensation committee comprised solely of independent

directors, and that director nominees be selected, or recommended for the Board of Directors' selection, by a majority of the independent directors or a nominations committee comprised solely of independent directors. In the event that we cease to be a controlled company, we will be required to comply with these provisions within the transition periods specified in the NASDAQ rules. These exemptions do not modify the independence requirements for our Audit Committee, and we intend to comply with the applicable requirements of the SEC and the NASDAQ rules, as discussed above, with respect to our Audit Committee within the applicable time frame.

### **The Board's Role in Risk Oversight**

The Board of Directors oversees the Company's risk management process. The Board oversees a Company-wide approach to risk management, designed to enhance stockholder value, support the achievement of strategic objectives and improve long-term organizational performance. The Board determines the appropriate level of risk for the Company generally, assesses the specific risks faced by the Company and reviews the steps taken by management to manage those risks. The Board's involvement in setting the Company's business strategy facilitates these assessments and reviews, culminating in the development of a strategy that reflects both the Board's and management's consensus as to appropriate levels of risk and the appropriate measures to manage those risks. Pursuant to this structure, risk is assessed throughout the enterprise, focusing on risks arising out of various aspects of the Company's strategy and the implementation of that strategy, including financial, legal/compliance, operational/strategic, health and safety, and compensation risks. The Board also considers risk when evaluating proposed transactions and other matters presented to the Board, including acquisitions and financial matters.

While the Board maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk in certain specified areas. In particular, the Audit Committee reviews and discusses the Company's practices with respect to risk assessment and risk management. The Audit Committee also focuses on financial risk, including internal controls, and discusses the Company's risk profile with the Company's independent registered public accounting firm. In addition, the Audit Committee oversees the Company's compliance program with respect to legal and regulatory requirements, including the Company's codes of conduct and policies and procedures for monitoring compliance. The Compensation Committee periodically reviews compensation practices and policies to determine whether they encourage excessive risk taking, including an annual review of management's assessment of the risk associated with the Company's compensation programs covering its employees, including executives, and discusses the concept of risk as it relates to the Company's compensation programs. Finally, the Nominating and Corporate Governance Committee oversees risks associated with the independence of directors and Board nominees. Management regularly reports on applicable risks to the relevant committee or the Board, as appropriate, including reports on significant Company projects, with additional review or reporting on risks being conducted as needed or as requested by the Board and its committees.

None of our executive officers currently serves, or in the past year has served, as a member of the Board of Directors or Compensation Committee of any other entity that has one or more executive officers serving on our Board of Directors or Compensation Committee. No directors served on the Compensation Committee in 2013 other than Messrs. Dahnke and Pittman, the two directors currently serving on such committee.

### ***Nominating Committee***

Our Nominating Committee, which did not meet in 2013, is currently composed of Messrs. Scott Dahnke and Stuart Frenkiel, each of whom is a non-employee, independent member of our Board of Directors. Mr. Dahnke is the Chairman of the Nominating Committee. Stockholders seeking to recommend candidates for consideration by the Nominating Committee should submit a recommendation in writing describing the candidate's qualifications and other relevant biographical information and provide confirmation of the candidate's consent to serve as director. Please submit this information to the Corporate Secretary, Noodles & Company, 520 Zang Street, Suite D, Broomfield, CO 80021, or by email at [investorrelations@noodles.com](mailto:investorrelations@noodles.com).

Stockholders may also propose director nominees by adhering to the advance notice procedure described under "Stockholder Proposals" elsewhere in this Proxy Statement.

### ***Director Qualifications***

The Nominating Committee and the Board believe that candidates for director should have certain minimum qualifications, including, without limitation:

- demonstrated business acumen and leadership, and high levels of accomplishment;

- commitment to understand the Company and its business, industry and strategic objectives;
- integrity and adherence to high personal ethics and values, consistent with our Code of Business Conduct and Ethics;

In the context of the Board's existing composition, other requirements, such as restaurant industry experience or experience in a particular business discipline, that are expected to contribute to the Board's overall effectiveness and meet the needs of the Board and its committees may be considered. The Company values diversity on a company-wide basis and seeks to achieve a diversity of occupational and personal backgrounds on the Board, but has not adopted a specific policy regarding Board diversity. The Nominating Committee assesses the effectiveness of its efforts at pursuing diversity through its periodic evaluation of the Board's composition.

**PROPOSAL NO. 2—RATIFICATION OF APPOINTMENT OF INDEPENDENT  
REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors has selected Ernst & Young LLP, or Ernst & Young, to be the Company's independent registered public accounting firm for the year ending December 30, 2014, and recommends that the stockholders vote for ratification of such appointment. Ernst & Young has been engaged as our independent registered public accounting firm since 2009. As a matter of good corporate governance, the Audit Committee has requested the Board of Directors to submit the selection of Ernst & Young as the Company's independent registered public accounting firm for 2014 to stockholders for ratification. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection. We expect representatives of Ernst & Young to be present at the Annual Meeting. They will have the opportunity to make a statement at the Annual Meeting if they desire to do so, and will be available to respond to appropriate questions.

#### **Audit and Related Fees**

The following table sets forth the aggregate fees billed for professional services rendered by Ernst & Young for the audit of our financial statements for 2013 and 2012 and the aggregate fees for other services rendered by Ernst & Young billed in those periods:

	<b>2013</b>	<b>2012</b>
Audit fees <sup>(1)</sup>	\$ 1,323,234	\$ 149,256
Audit Related fees <sup>(2)</sup>	2,150	2,167
Tax fees <sup>(3)</sup>	94,355	103,288
Total audit and related fees	<u>\$ 1,419,739</u>	<u>\$ 254,711</u>

- (1) 2013 and 2012 audit fees and expenses related to the fiscal year audit and interim reviews, notwithstanding when the fees and expenses were billed or when the services were rendered, and additional work performed in connection with the Company's initial public offering and follow-on offering.
- (2) Represents fees for a subscription to an Ernst & Young online service used for accounting research purposes.
- (3) Tax fees relate to professional services rendered for tax compliance, tax return review and preparation and related tax advice.

In connection with our initial public offering, the Board of Directors has adopted a written policy for the pre-approval of certain audit and non-audit services which Ernst & Young provides. The policy balances the need for Ernst & Young to be independent while recognizing that in certain situations Ernst & Young may possess both the technical expertise and knowledge of the Company to best advise the Company on issues and matters in addition to accounting and auditing. In general, the Company's independent registered public accounting firm cannot be engaged to provide any audit or non-audit services unless the engagement is pre-approved by the Audit Committee. Certain services may also be pre-approved by the Chairman of the Audit Committee under the policy. All of the fees identified in the table above were approved in accordance with SEC requirements and, following our initial public offering, pursuant to the policies and procedures described above.

All of the services of Ernst & Young for 2013 and 2012 described above were pre-approved by the Audit Committee.

**The Board of Directors recommends a vote FOR the ratification of the appointment of ERNST & YOUNG LLP.**

## SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth certain information with respect to the beneficial ownership of any class of our common stock as of March 11, 2014 for:

- each stockholder known by us to be the beneficial owner of more than 5% of any class of our outstanding shares of common stock;
- each of our directors;
- each of our named executive officers; and
- all of our directors and executive officers as a group.

We have determined beneficial ownership in accordance with the rules of the SEC. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons and entities named in the table below have sole voting and investment power with respect to all shares of our common stock that they beneficially own, subject to applicable community property laws.

Applicable percentage ownership in the following table is based on 29,706,887 shares of common stock outstanding as of March 11, 2014 (of which 28,184,789 were Class A common stock and 1,522,098 were Class B common stock), unless otherwise indicated in the footnotes below. In computing the number of shares of common stock beneficially owned by a person or entity and the percentage ownership of that person or entity, we deemed to be outstanding all shares of common stock subject to options or other convertible securities held by that person or entity that are currently exercisable or exercisable within 60 days of March 11, 2014. We did not deem these shares outstanding, however, for the purpose of computing the percentage ownership of any other person. Unless otherwise indicated, the address of each beneficial owner listed in the table below is c/o Noodles & Company, 520 Zang Street, Suite D, Broomfield, CO 80021.

As of March 11, 2014, Argentia beneficially owned 1,522,098 shares of Class B common stock, which represented 100% of the outstanding shares of Class B common stock on that date. Class B common stock has the same rights as the common stock except that holders of Class B common stock will not be entitled to vote in the election or removal of directors unless converted into Class A common stock.

(1) Amounts shown in this column represent bonuses paid in connection with our initial public offering.

(2) Amounts represent the aggregate grant date fair value of stock options awarded in 2013 and 2012, calculated in accordance with FASB Accounting Standards Codification Topic 718. A description of the methodologies and assumptions we use to value options awards and the manner in which we recognize the related expense are described in Note 10, Stock-Based Compensation, to our consolidated financial statements, for the year ended December 31, 2013 included in our 2013 10-K. These amounts may not correspond to the actual value eventually realized by each NEO because the value depends on the market value of our common stock at the time the option is exercised.

(3) Amounts shown in this column represent cash bonus awards granted to our named executive officers for performance during 2013 and 2012. For each year, we maintained bonus plans that provided each NEO with the opportunity to earn a bonus based on achievement of adjusted EBITDA goals for the applicable year. The target bonuses were 100% of base salary for Mr. Reddy, 80% and 75% of base salary for Mr. Kinsey in 2013 and 2012, respectively, and 50% of base salary for Mr. Boennighausen for 2013 and 2012. The Compensation Committee of the Board reserves the right to exercise discretion to increase or decrease such bonuses based on other factors, which can include the executive officers' individual performance and other bonus compensation, such as that paid in connection with our initial public offering.

(1) The options vest in 25% increments on each of June 27, 2014, 2015, 2016 and 2017.

(2) These options vest on December 6, 2015.

**Potential Payments and Acceleration of Equity upon Termination or Termination in Connection with a Change in Control****Employment and Severance Agreements**

We are a party to employment agreements with each of the Messrs. Reddy and Kinsey (the “Employment Agreements”). Each of the Employment Agreements has a three-year term that commenced on the date of our initial public offering and continues for three years unless earlier terminated. The Employment Agreements automatically extend at the end of the initial term and annually thereafter in each case, for a one year term, unless either party provides at least ninety days’ prior written notice of nonextension.

Pursuant to the employment agreements, Mr. Reddy received a \$1.0 million cash bonus, and Mr. Kinsey received a \$500,000 cash bonus, upon the completion of our initial public offering. In addition, Mr. Reddy was granted 259,650 stock options and Mr. Kinsey 144,250 stock options upon completion of our initial public offering pursuant to our Amended and Restated 2010 Stock Incentive Plan, subject to the terms of that plan. One-half of those options were vested upon grant and the other half will vest in equal increments on the first through fourth anniversaries of the grant date. In the event Mr. Reddy or Mr. Kinsey is terminated without cause, resigns for good reason or dies or becomes disabled while employed by the Company, a pro rata portion of the next vesting installment will vest. In addition, if Mr. Reddy or Mr. Kinsey is terminated without cause or resigns for good reason within 12 months following a change in control, any remaining unvested portion of these options will vest.

Each Employment Agreement provides for the payment of base salary and bonus, as well as customary employee benefits. Under each of the Employment Agreements, if the executive’s employment is terminated by the Company without “cause” or by the executive with “good reason” (as such terms are defined in the applicable Employment Agreement) the executive is entitled to receive compensation equal to 18 months of the executive’s then-current base salary, payable in equal installments over 18 months, a pro rata bonus for the year of termination and reimbursement of “COBRA” premiums for up to 18 months for the executive and his dependents. The severance payments are conditioned upon the executive entering into a mutual release of claims with us.

Each of the Employment Agreements also restricts the executive from engaging in a competitive business during his employment and for 18 months thereafter, or soliciting employees at or above the level of vice president or above during his employment and for 12 months thereafter. For this purpose, “competitive business” is defined as any business engaged in the fast casual restaurant business in North America that derives 20% or more of its revenues from the sale of noodle or pasta dishes.

In addition, we are a party to a Severance Agreement with Mr. Boennighausen dated December 19, 2012 (the “Severance Agreement”). Pursuant to the Severance Agreement, Mr. Boennighausen is an “at-will” employee. If the Company terminates Mr. Boennighausen’s employment without “cause,” (as such term is defined in the Severance Agreement) Mr. Boennighausen is entitled to receive compensation equal to nine months of his then-current base salary, payable in equal installments over

nine months, a pro rata bonus for the year of termination and reimbursement of “COBRA” premiums for up to nine months for Mr. Boennighausen and his dependents. The severance payments are conditioned upon Mr. Boennighausen entering into a mutual release of claims with us. The Severance Agreement also includes similar noncompetition and nonsolicitation covenants as the Employment Agreements, except that the duration of the covenants apply to Mr. Boennighausen during his employment and for nine months thereafter.

In addition, Mr. Boennighausen’s outstanding unrestricted options provide that in the event his employment is terminated without cause within 12 months following a change in control, any remaining unvested portion of such options will vest.

**Payments Upon Termination or Change in Control**

None of our NEOs is entitled to receive payments or other benefits upon termination of employment or a change in control, except as provided in the Employment Agreements and Severance Agreement described above.

**401(k) Plan**

We maintain a tax-qualified retirement plan that provides eligible U.S. employees with an opportunity to save for retirement on a tax-advantaged basis. Eligible employees are able to defer eligible compensation subject to applicable annual Code limits. No employer contributions were made to the 401(k) plan in 2012. Contributions are allocated to each participant’s individual account and are then invested in selected investment alternatives according to the participants’ directions. The 401(k) plan is intended to be qualified under Section 401(a) of the Code.

**Pension Benefits**

Our NEOs did not receive any benefits from the Company under any pension or retirement plan we sponsored during 2013.

**Nonqualified Deferred Compensation**

On May 16, 2013 the Company adopted The Executive Non-qualified “Excess” Plan (the “Excess Plan”). The Excess Plan provides supplementary benefits to the eligible participants whose benefits under the Company’s 401(k) Plan are limited because of the restriction on annual contributions that may be made to a qualified defined contribution plan and/or the limitation on compensation that may be taken into account in calculating contributions to such a plan. Our NEOs did not earn any nonqualified deferred compensation benefits from us during 2013 under the Excess Plan or otherwise.

**Equity Compensation Plan Information**

The following table summarizes information as of December 31, 2013, about shares of common stock that may be issued under our equity compensation plans.

## DIRECTOR COMPENSATION

In October 2013, we adopted a non-employee director compensation plan covering non-employee directors other than directors affiliated with Catterton or PSPIB. Under the plan, each non-employee director covered by the plan receives an annual cash retainer for board service, an annual cash retainer for committee service and an annual cash retainer for serving as chair of a committee. The board has currently fixed the retainer for board service at \$50,000 per year, and it has fixed each of the retainers for committee service and committee chair at \$10,000 per year. In addition, at the close of business on the date of the Company's annual meeting of stockholders, each non-employee director covered by the plan will receive an annual retainer stock option under the plan, which shall vest on the date of the next annual meeting of stockholders. The annual retainer grant made in 2014 will have a value, as determined by the Board of Directors in good faith using the Black-Scholes valuation formula, of \$62,500, consisting of a \$50,000 annual retainer grant and a \$12,500 pro rata grant for service beginning in the fourth fiscal quarter of 2013. Such grant will have the other terms provided for in the Plan, the Stock Plan and the award agreement providing for such grant.

Directors who are also employees, such as Mr. Reddy and Mr. Kinsey, do not and will not receive any compensation for their services as directors. In addition, directors appointed by Catterton and Argentia have not received any compensation for their services as directors and shall not receive any such compensation for two years following the closing date of our IPO in June 2013. Thereafter, the Company shall pay the directors appointed by Catterton and Argentia an annual fee of \$100,000 (or such other amount that may be determined by the Board of Directors to be payable to non-employee directors) for each such director serving on the Board of Directors; provided, that any fees otherwise payable to directors appointed by Catterton shall instead be paid directly to Catterton Management Company, L.L.C. and any fees otherwise payable to directors appointed by Argentia shall instead be paid directly to Argentia.

Directors have been and will continue to be reimbursed for travel, food, lodging and other expenses directly related to their activities as directors. Directors are also entitled to the protection provided by their indemnification agreements and the indemnification provisions in our certificate of incorporation and bylaws, as well as the protection provided by director and office liability insurance provided by us.

The following table sets forth information concerning the compensation of our independent directors for the fiscal year ended December 31, 2013.

Name	Fees earned or paid in cash (\$)(1)	Total
Jeffrey Jones	\$ 17,500	\$ 17,500
James Rand	15,000	15,000

- (1) These amounts represent the pro-rated annual retainer earned by each director beginning in the fourth quarter of fiscal 2013, when the non-employee director compensation plan was adopted, as well as pro-rated annual fees for committee service during such time period.

## TRANSACTIONS WITH RELATED PERSONS

The following is a description of each transaction since January 2, 2013 to which we have been a party, in which the amount involved exceeded or will exceed \$120,000, and in which any of our directors, executive officers or beneficial holders of more than 5% of either our Class A or our Class B common stock had or will have a direct or indirect material interest.

*Stockholders Agreement.* In connection with our initial public offering, we entered into a stockholders agreement with our Sponsors that became effective upon the completion of the initial public offering. The stockholders agreement contains agreements with respect to restrictions on the sale, issuance or transfer of shares that prevent either Sponsor from transferring its shares without the consent of the other Sponsor, except in connection with a tag along sale of common stock by both Sponsors or pursuant to the registration rights agreement, which is described below, until the earlier of the second anniversary of the offering and the time at which such Sponsor holds less than 25% of our outstanding Class A and Class B common stock. The stockholders agreement also grants our Sponsors the right, subject to certain conditions, to nominate representatives to our Board of Directors and committees of our Board of Directors. Catterton and Argentia each will have the right to designate two members to our Board of Directors, and the parties to the stockholders agreement will agree to vote to elect such director designees. If at any time a Sponsor owns more than 10% and less than 20% of our outstanding Class A and Class B common stock, such Sponsor has the right to designate one nominee for election to our Board of Directors. If a Sponsor's ownership level falls below 10% of our outstanding Class A and Class B common stock, such Sponsor will no longer have a right to designate a nominee. In addition, for so long as Catterton

and Argentia hold at least 35% of the voting power of our outstanding common stock, certain actions may not be taken without the approval of Catterton and Argentia, including:

- any merger, recapitalization or other adjustment in voting rights, if following such event, Catterton and Argentia would not together have sufficient voting power or otherwise be entitled to elect a majority of the Board;
- any sale of all or substantially all the assets of the Company;
- the issuance of any capital stock of us or any of our subsidiaries, other than certain issuances upon the grant of equity awards;
- create any new class or series of shares of equity securities having rights, preferences or privileges senior to or on a parity with the common stock; or
- any amendment of our certificate of incorporation, bylaws or equivalent organization documents of the Company or any subsidiary of the Company in a manner that could reasonably be expected to adversely affect the rights of Catterton or Argentia.

*Management Services.* Catterton Management Company, LLC, an affiliate of Catterton, provided certain management services to the Company. In connection with such services Catterton Management Company, LLC received an annual management fee of \$500,000 during periods prior to our initial public offering. Argentia held the sole share of our Class C common stock, which entitled it to receive annual dividends of \$500,000 payable at the same times and in the same amounts as the management fees payable to Catterton Management Company, LLC. In connection with the Company's initial public offering, the share of Class C common stock was redeemed and the services arrangement with Catterton Management Company, LLC was terminated, in each case for no consideration. In 2013, the Company paid \$250,000 in management fees to Catterton Management Company, LLC and \$250,000 in Class C dividends to Argentia.

*Transaction Payments.* In connection with our initial public offering we made a transaction payment of \$400,000 to Catterton and we paid a special dividend of \$400,000 on the one outstanding share of Class C common stock held by Argentia.

*Repurchase Agreement.* In connection with our follow-on offering in the fourth quarter of 2013, we entered into a repurchase agreement on December 5, 2013 with certain of our officers to repurchase an aggregate of 108,267 shares of Class A common stock directly from them in a private, non-underwritten transaction at a price per share equal to the net proceeds per share the selling stockholders received in the follow-on offering, \$37.92. In connection with this transaction, we repurchased 78,102 shares of Class A common stock from Keith Kinsey, 8,444 shares of Class A common stock from Dave Boennighausen, 12,122 shares of Class A common stock from Paul Strasen, 5,195 shares of Class A common stock from Phil Petrilli and 4,404 shares of Class A common stock from Kathy Lockhart. The aggregate value of the repurchase was \$4,105,485.

*Control Relationships.* Catterton and Argentia each own approximately 28% of our equity interests; however, the terms of the certificate of incorporation prevent control by either Sponsor acting on its own. However, under the stockholders agreement our Sponsors have agreed to elect each other's director nominees and to not take certain actions affecting us without the consent of the other Sponsor. See "—Stockholders Agreement", above, for a description of the material provisions of the stockholders agreement. As a result, our Sponsors could potentially have significant influence over all matters presented to our stockholders for approval, including election and removal of our directors and change in control transactions.

*Registration Rights.* Pursuant to the terms of a registration rights agreement between us and certain holders of our stock, including Catterton, certain of its affiliates and Argentia, certain holders of our stock are entitled to demand and piggyback rights:

- *Demand Registrations.* Under the registration rights agreement, both Catterton and Argentia are able to require us to file a registration statement under the Securities Act, covering at least 10% of our equity interests, and we are required to notify holders of such securities in the event of such request (a "Demand Registration Request"). Each of Catterton and Argentia can issue unlimited Demand Registration Requests, unless we are ineligible to use Form S-3, in which case we will not be obligated to grant more than three Demand Registration Requests to each of Catterton and Argentia during such period of ineligibility.
- *Piggyback Registrations.* Under the Registration Rights Agreement, if at any time we propose or are required to register any of our equity securities under the Securities Act (other than a demand registration or pursuant to an employee benefit or dividend reinvestment plan), we will be required to notify each eligible holder of its right to participate in such registration and to use commercially reasonable efforts to cause all eligible securities requested to be included in the registration to be so included.

*Procedures for Approval of Related Party Transactions.* Our policies on related party transactions, which are included in our Audit Committee charter, Nominating and Corporate Governance Committee charter, and our Employee Code of Business Conduct and Ethics, address the policies and procedures for review and approval of related party transactions. These policies

cover certain relationships and material obligations and interests. These policies provide that, in determining whether or not to recommend the initial approval or ratification of a related party transaction, all relevant facts and circumstances available shall be considered. The Nominating and Corporate Governance Committee and Audit Committee are both responsible for approval and ratification of certain related person transactions pursuant to the applicable policies and procedures.

## REPORT OF THE AUDIT COMMITTEE

This report of the Audit Committee is required by the SEC and, in accordance with the SEC's rules, will not be deemed to be part of or incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that The Company specifically incorporates this information by reference, and will not otherwise be deemed "soliciting material" or "filed" under either the Securities Act of 1933 or the Securities Exchange Act of 1934.

The principal purpose of the Audit Committee is to assist the Board of Directors in its oversight of (i) the integrity of our accounting and financial reporting processes and the audits of our financial statements; (ii) our system of disclosure controls and internal controls over financial reporting; (iii) our compliance with legal and regulatory requirements; (iv) the qualifications and independence of our independent auditor; (v) the performance of our independent auditors; and (vi) the business practices and ethical standards of the Company. The Audit Committee is responsible for the appointment, compensation, retention and oversight of work of the Company's independent auditor. The Audit Committee's function is more fully described in its charter.

Our management is responsible for the preparation, presentation and integrity of our financial statements, for the appropriateness of the accounting principles and reporting policies that we use and for establishing and maintaining adequate internal control over financial reporting. Ernst & Young LLP, or Ernst & Young, our independent registered public accounting firm for 2013, was responsible for performing an independent audit of our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2013, and expressing an opinion on the conformity of those financial statements with generally accepted accounting principles.

The Audit Committee has reviewed and discussed with management our audited financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2013.

The Audit Committee has also reviewed and discussed with Ernst & Young the audited financial statements in the Form 10-K. In addition, the Audit Committee discussed with Ernst & Young those matters required to be discussed under applicable standards of the Public Company Accounting Oversight Board (the "PCAOB"). Additionally, Ernst & Young provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the PCAOB regarding Ernst & Young's communications with the Audit Committee concerning independence. The Audit Committee also discussed with Ernst & Young its independence from the Company.

Based upon the review and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Form 10-K for filing with the SEC.

## **SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE**

Section 16(a) of the Securities Exchange Act of 1934 and SEC rules require our directors, executive officers and persons who own more than 10% of any class of our common stock to file reports of their ownership and changes in ownership of our common stock with the Securities and Exchange Commission. Based solely on our review of the reports filed during 2013, and on written representations from such reporting persons, we determined that no director, executive officer or beneficial owner of more than 10% of any class of our common stock failed to file on a timely basis during 2013, except that one Form 4 reporting one transaction of PSPIB was filed late.

Any matter so submitted must comply with the other provisions of the Company's bylaws and be submitted in writing to the Secretary at the principal executive offices.
