

## Lose An Hour, Gain Points For A Free Shareable At Noodles & Company

March 2, 2020

### Noodles Rewards members receive extra points for free shareable for Daylight Saving Time

BROOMFIELD, Colo., March 2, 2020 /PRNewswire/ -- Noodles & Company (NASDAQ:NDLS), known for serving classic noodle, Zoodle and Caulifloodle dishes from around the world, today announced Noodles Rewards members will receive bonus Rewards points when they place an online order during daylight saving weekend (DST), valid from March 7–March 9.

Rewards members will earn 850 bonus points when they take advantage of the deal, enough to score a free Cheesy Garlic Bread or other regular shareable on their next visit. The offer encourages guests to take DST, starting March 8, in stride by getting the most out of a shorter day with a convenient and delicious meal from Noodles.

"Mealtime doesn't need to be a stressor for families, especially when we lose an hour to the time change," said Jonathan Tress, vice president of marketing at Noodles & Company. "It couldn't be easier to order with Noodles' Quick Pickup feature, where Rewards members can skip the restaurant line by placing their order online or via the Noodles mobile app."

Guests must join the Noodles Rewards program by Friday, March 6 to take advantage of the offer. Rewards members can find locations, order from the app, skip the line at pickup and earn points on every purchase. Learn more and sign up by downloading the app or visiting [noodles.com/rewards](https://noodles.com/rewards).
