BROOMFIELD, Colo., July 7, 2020 /PRNewswire/ -- Noodles & Company (NASDAQ:NDLS), known for serving classic noodle, Zoodle and Caulifloodle dishes from around the world, announced a week of special offers for mac-loving Rewards members in celebration of National Mac & Cheese Day. Adding to the excitement, Noodles also introduced its newest mac, Ham & Gruyere, which features creamy, shredded Gruyere cheese, Black Forest Ham, green onions, and toasted-to-perfection breadcrumbs. The "Week of Mac" festivities kick off on Tuesday, July 14, National Mac & Cheese Day, when all Rewards members will receive an offer for a free small bowl of Noodles' world-famous Wisconsin Mac & Cheese with the purchase of a regular entree. Don't worry, the cheesy goodness doesn't stop there. From Wednesday, July 15 to Friday, July 17, Rewards members will receive an offer for a free small bowl of a gourmet mac & cheese on their next visit with the purchase of any regular entree, starting with tender, slow-braised BBQ Pork Mac on Wednesday, spicy Buffalo Chicken Mac on Thursday and savory Ham & Gruyere on Friday. The Week of Mac allows guests to try macs they've never explored and customize the six classic mac varieties; making the combination possibilities truly endless. Not a Rewards member? No problem. To participate in the Week of Mac, guests simply need to register via the mobile app or online at [Noodles.com/Rewards](https://www.noodles.com/Rewards) prior to their first order.

"We have such a wide variety of Mac & Cheese that we can't fit it into a single day, so we're celebrating with offers to satisfy all kinds of cravings, all week long. Whether trying the new Ham & Gruyere, opting for a classic favorite like Wisconsin Mac & Cheese, or substituting lighter Zoodles in for traditional elbow noodles, there's a reason first-time Noodles guests try mac & cheese more than any other dish on the menu," said Stacey Pool, chief marketing officer of Noodles & Company. "All of our dishes are made to order, which means our guests can customize their mac & cheese to their liking. Plus, our mac & cheese is made with our signature creamy cheese sauce made of high-quality aged cheddars developed exclusively for Noodles & Company by Sartori."

For those looking to make mac & cheese even more fun, Noodles is also introducing animal-shaped, kid-friendly Noodlemals. Noodlemals will automatically come with any kid's meal order unless traditional elbow noodles are swapped in by request.
