Noodles & Company is bringing back its beloved Steak Stroganoff for a limited time, with dramatic tributes inspired by the fans who made it happen

BROOMFIELD, Colo., Jan. 14, 2026 /PRNewswire/ -- Noodles & Company (NASDAQ: NDLS), the fast-casual known for craveable, globally inspired noodle dishes, is bringing back a cult favorite: Steak Stroganoff. Back by popular demand and available for a limited time only, Strog's wavy egg noodles are enveloped in a rich mushroom-sherry cream sauce and finished with tender marinated steak, a sprinkle of Parmesan cheese, and fresh Italian parsley. Together, the ingredients create comforting, crave-worthy flavors guests love.

Fans begged. They pleaded. Emotions ran high. Noodles & Company listened, bringing Steak Stroganoff back with an over-the-top return inspired by its fans' loudest social pleas. To honor the overwhelming demand, Noodles & Company turned real social posts into [AI-powered mini-melodramas](#), celebrating the fans' love and the influence it had on Stroganoff's return.

"Our guests are at the center of how we shape our menu," said Joe Christina, president and chief executive officer at Noodles & Company. "We're thankful for the fans who patiently – or sometimes not so patiently – waited for its return, and we're excited to welcome this nostalgic, timeless favorite back as the temperatures drop."

"Steak Stroganoff fans did more than ask for its return; they showed us how deeply this dish is woven into their rituals, memories, and cravings, and we listened," said Stacy Moss, vice president of marketing at Noodles & Company. "Because Strog means so much to our guests, we wanted to honor that passion in a way that felt worthy of their devotion. Working with our creative agency, Fortnight Collective, we transformed real fan submissions into playful, over-the-top 'dramatic reenactments,' using AI as a creative tool, guided by human insight, to bring their words and emotions to life and celebrate the fandom behind this iconic dish."
